

# I Gotta Horse

**Billy Fury**

I'm as bright as a jumping beam  
Riding high if you see what I mean  
Cause I gotta horse  
(Yeah) I gotta horse

Yesterday I was feeling low  
Now today I'm alive and a glow  
Cause I gotta horse  
(Yeah) I gotta horse

Don't need anything  
I've got everything  
Much more than money can buy  
I've got happiness  
And what's more I guess  
I'm just the luckiest guy

Feeling fine in a million ways  
This is one of those wonderful days  
Cause I gotta horse  
(Yeah) I gotta horse

Don't need anything  
I've got everything  
Much more than money can buy  
I've got happiness  
And what's more I guess  
I'm just the luckiest guy

Feeling fine in a million ways  
This is one of those wonderful days  
Cause I gotta horse  
(Yeah) I gotta horse  
I gotta horse
