

I Gotta Horse

Billy Fury

I'm as bright as a jumping beam
Riding high if you see what I mean
Cause I gotta horse
(Yeah) I gotta horse

Yesterday I was feeling low
Now today I'm alive and a glow
Cause I gotta horse
(Yeah) I gotta horse

Don't need anything
I've got everything
Much more than money can buy
I've got happiness
And what's more I guess
I'm just the luckiest guy

Feeling fine in a million ways
This is one of those wonderful days
Cause I gotta horse
(Yeah) I gotta horse

Don't need anything
I've got everything
Much more than money can buy
I've got happiness
And what's more I guess
I'm just the luckiest guy

Feeling fine in a million ways
This is one of those wonderful days
Cause I gotta horse
(Yeah) I gotta horse
I gotta horse
