

# I Will

Billy Fury

I don't wanna be the one to say I'm gonna miss ya.  
But I will, I will.  
I don't wanna say I'm gonna cry my eyes out baby.  
But I will, I will.  
I'm not ashamed for you to know how much I really love you so c  
os it was such a thrill.  
And just remember when you're gone there'll be that someone sad  
who loves you still  
You will look at him and see me smiling back at you.  
I know you will you will.  
You will find yourself repeating things we used to do.  
I just know you will, you will.

Don't wonder if you wanna come back just come running home to m  
e and let me feel the thrill.  
Cos I'm the one that told you I would love you dear forever and  
I will, I will.

{I will} I will  
Music  
{I will} I will

wohohoh You will look at him and see me smiling back at you.  
I know you will you will.  
You will find yourself repeating things we used to do.  
I just know you will, you will.

But don't wonder if you wanna come back just come running home  
to me and let me feel the thrill.  
Cos I'm the one that told you I would love you dear forever and  
I will, I will, I will, I will.
