

# Jump

Billy Fury

I was standing on the edge of the cliff top high above  
I was looking right down below  
I was thinking all about the women I had  
About the women that I love so  
But it's a long, long way to fall  
And then I heard a soft voice call

(BILLY, BILLY)

Don't jump Billy boy don't jump  
Yeah, yeah, yeah, yeah  
Don't jump Billy boy don't jump  
Wow, wow, wow, wow  
Don't jump Billy boy don't jump  
Yeah, yeah, yeah, yeah  
Don't jump Billy boy don't jump  
No woman's worth the trouble  
Tell me why, why, why  
You can always find another  
I don't believe you brother wow, wow  
Wow Billy wow, wow Billy boy wow

As the sea rushes in upon the rugged rocks  
It's a long long way to fall  
Then I'm gonna bet I wanna bet I will and I wont  
Cause it a long long way to fall

Don't jump Billy boy don't jump  
Yeah, yeah, yeah, yeah, yeah  
Don't jump Billy boy don't jump  
I wanna die  
Don't jump Billy boy don't jump  
Don't wanna cry  
Don't jump Billy boy don't jump  
No woman's worth the trouble  
Tell me why, why, why  
You can always find another  
I don't believe you brother wow, wow  
Wow Billy wow, wow Billy boy wow

I guess ill sit here a while and think about the time that girl was mine and  
we were gonna be so happy  
Then her parents stood in and said that I was small time  
And that's a long long way to fall

Don't jump Billy boy don't jump  
Wow, wow, wow, wow  
Don't jump Billy boy don't jump  
Oh keepa talking  
Don't jump Billy boy don't jump  
Mmmmm you're getting through now  
Don't jump Billy boy don't jump  
No woman's worth the trouble  
Tell me why, why, why  
You can always find another  
I believe ya brother wow, wow

Thank you Billy  
I feel alright right now  
Don't jump Billy  
Aint gonna jump right now  
No woman's worth the trouble
