

# Play It Cool

Billy Fury

Play it cool baby  
Play it cool  
Don't forget that golden rule  
Now were flying high  
Way up in the sky  
C'mon play it cool

Play it cool baby  
Play it cool  
C'mon and join my lovers school  
You would love to learn  
I just make you burn  
C'mon play it cool

When your heart keeps beating a minute  
Then baby don't you hurry  
There's time for you  
And time for me  
Never worry

Play it cool baby  
Play it cool  
Don't forget that golden rule  
Now were flying high way up in the sky  
C'mon play it cool

Now play it boys

When your heart keeps beating a minute  
Then baby don't you hurry  
There's time for you  
And time for me  
A baby don't you worry

Play it cool baby  
Play it cool  
Don't forget that golden rule  
Now were flying high  
Way up in the sky  
C'mon play it cool
