

Three Words, Two Hearts, One Kiss

Billy Gilman

For a straight A student who knows so much
You don't know nothin' bout love
Well you and me make history
There's no two hearts like us
Well go on, pretend, you can't figure it out
Well if there's any doubt

Let me spell it out for you honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss
Three words, two hearts, one kiss

I know where I'm supposed to be
A heartbeats right on time
I don't know why you're holding back
But you're the first in line
We better catch this train waiting on the tracks
Cause it might not come back

Let me spell it out for you honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss

Three words, that's it, I love you
Two hearts that beat as one

Oh let me spell it out for you honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss

The perfect combination of
Three words, two hearts

Three words, two hearts, one kiss
