

# Blue Highway

Billy Idol

Some of my good friends  
It's to put your hands  
I ought to start this here  
Rain for a day glow  
But when you want to walk through Soho  
And I wake up in the USA

Oh you know we're gonna ride  
On a blue highway  
Walk with electro glide  
On a blue highway  
Wave below to Christ  
On my highway  
Yes I almost died  
On a blue highway

Oh the sun's for miles  
Or it's kind of a bitter risk  
Out to ride the night  
Oh sister's so hip too  
I hear you and I miss you  
Co-starring in the USA

Oh you know we're gonna ride  
On a blue highway  
Walk with electro glide  
On a blue highway  
Wave below to Christ  
On my highway  
Yes I almost died  
On a blue highway

Why do I miss you?  
Why did I kiss you?  
Because

Oh you know we're gonna ride  
On a blue highway  
Walk with electro glide  
On a blue highway  
Wave below to Christ  
On my highway  
Yes I almost died

So glad that you're leaving now  
I'm glad that you're here  
I'm glad that you wanna stay  
Because

Oh you know we're gonna ride  
On a blue highway  
Walk with electro glide  
On a blue highway  
Wave below to Christ  
On my highway  
Yes I almost died  
On the blue highway

On the blue highway

Wings and we'll wind the love  
Yes there's a time a time for love  
Then you kissed me  
On a blue highway

Why do I miss you  
Oh hoo I kiss you
