

# Don't You (Forget About Me)

Billy Idol

Hey, hey, hey, hey  
Watching, ooh yeah

Won't you come see about me?  
I'll be alone dancing and you know it, baby

Tell me your troubles and doubts  
Giving me everything inside and out, out  
Love's strange, so real in the dark  
Think of the tender things that we were working on

Slow change may pull us apart  
I'll get us back together at heart, baby

Don't you forget about me  
Don't, don't, don't, don't  
Don't you forget about me

Will you stand above me?  
Look my way and never love me  
Rain keeps falling, rain keeps falling  
Down, down, down

Would you recognize me?  
Call my name or walk on by  
Rain keeps falling, rain keeps falling  
Down, down, down

Hey, hey, hey, hey  
Watching, ooh yeah

Don't you try and pretend  
It's my feeling we'll win in the end  
I won't harm you or touch your defenses  
Vanity and security

Don't you forget about me  
I'll be alone dancing and you know it, baby  
Going to take you apart  
I'll put us back together at heart, baby

Don't you forget about me  
Don't, don't, don't, don't  
Don't you forget about me

As you walk on by  
Will you call my name?  
As you walk on by  
Will you call my name?

As you walk on by  
(As you walk on by)  
Or will you walk on by?  
Will you walk away?

Come on, call my name  
Come on, call my name

Will you call my name?

I say  
La la la

Will you walk on by?  
Would you call my name  
As you walk on by?  
Would you call my name  
When you walk on by?

Oh yeah, come on  
And call my name  
As you walk on by  
Hey baby, call my name  
When you walk on by  
Would you call my name?  
Yeah, yeah, yeah
