

# License To Thrill

Billy Idol

Breath of life for which a man must grieve  
Blood of love into my heart  
Tonight we'll dream, yeah, a license to thrill

I'll sing on, girl, yeah  
I'll make you high world  
Lovers turn again to dreams  
Oh, tonight, a license to thrill

I hear voices screaming louder  
Seem to break a spell, watcha gonna do?  
I hear voices singing louder, oh, yeah, oh, yeah

Breathe tonight and slowly come down  
Touch the stars into my heart  
Tonight we'll dream, a license to thrill

Oh, sleeper, yes, restless dreamer  
(I'll turn you on, girl)  
She comes, face her

(You make me high world)  
Untie your lips, untie your hips  
And with animal grace, embrace her  
(Us turn again to dreams)  
Oh, the taste, a license to thrill

I hear voices screaming louder  
Seem to break a spell, watcha gonna do?  
I hear voices screaming louder  
Sing a farewell, watcha gonna do, yeah?

I hear voices screaming louder  
Screaming louder into the night  
Try to break a spell, I say, yeah,  
Sing a last farewell, watcha gonna do?

I'll sing you on, girl, yeah  
I'll make you high world  
A license to thrill
