

# Rat Race

Billy Idol

Wake me from my sleep  
A cautionary tale  
A walk in infancy  
A way to derail  
I wanted to be free  
And I wanted only you  
The walls are falling down

And somebody says  
Give a little love, give a little love  
But take your time  
And somebody sighs  
Yes, give a little love, give a little love  
But take your time

A private life, c'mon now  
I said livin' gets to be  
Just like a rat race, rat race  
C'mon, I'm a-read between the lines  
Fierce struggle, a natural one  
A Tough job gets to be  
Just like a rat race, rat race  
C'mon, I'm locked up in myself

Check before rising  
Check before we work  
Childproof the scene  
No screams can be heard  
The roof is caving in  
The space between our hearts  
The walls are falling down

It's a rat, it's a rat, it's a rat race  
It's a rat, it's a rat race  
(2x)

Aah life, living in a rat race, c'mon

Hmm life, are you living in a rat race?  
C'mon, here inside yourself

I'm locked up in myself (2x)
