Out into the wasteland Out into the wasteland No religion No religion, no religion at all No religion No religion, no religion at all No religion, no religion at all No religion No religion, no religion at all No religion No religion at all No religion Emissionary man amongst the heathen Can't you see a modern primitive I came back, I'm gonna find, I'm gonna give religion When there was, no religion at all I'm outta the wasteland I'm into this head man I'm outta the wasteland No religion at all I'm outta the wasteland I'm into this head man I'm outta the wasteland No religion, no religion at all There's a man in need of resurrection (No religion) Can't you see a modern primitive (No religion) But I'm a man I need my love and freedom (No religion) When there was no freedom at all I'm outta the wasteland I'm into this head man I'm outta the wasteland No religion at all I'm outta the wasteland I'm into this head man I'm outta the wasteland No religion, no religion at all No religion No religion at all No religion No religion at all In VR land The future of fun Tell me what to do In VR law Computer crime Um, so sublime

A fantasy scene
In my machine
Give me secret of life
Let me know, yeah, what I am
And you know that I could get

Outta the wasteland I'm into this head man I'm outta the wasteland No religion at all I'm outta the wasteland I'm into this head man I'm outta the wasteland No religion, no religion at all I'm outta the wasteland So far from the the deadland Ow, I'm outta the wasteland No religion, no religion yeah I'm outta the wasteland So far from the the deadland Yeah, I'm outta the wasteland No religion, no religion at all

No religion, no religion at all No religion
No religion, no religion at all No religion
No religion, no religion at all No religion
No religion, no religion at all No religion at all No religion at all No religion at all No religion at all
