

# Hush

Billy Joe Royal

Na na na na...

There's a certain little girl  
That's on my mind  
Great gosh almighty  
She looks so fine

She's the best girl  
That I've ever had  
But sometimes she sure

Makes me feel so bad

Na na na na...

Hush, hush  
I thought I heard her  
Calling my name now  
Hush, hush  
She broke my heart but  
I love her just the same now

Hush, hush  
I thought I heard her  
Calling my name now  
Hush, hush  
I need her loving  
And I'm not ashamed now

(Love, love)  
Early in the morning  
(Love, love)  
Late in the midnight  
(Love, love)  
I want it and I need it now  
(Love, love)  
Got to, go to have it

She's got loving like quicksand  
It only took one touch of her hand  
She blew my mind and I'm in so deep  
That I can't eat, y'all  
And I can't sleep

Na na na na...

Hush, hush  
I thought I heard her  
Calling my name now  
Hush, hush  
She broke my heart but  
I love her just the same now

Hush, hush  
I thought I heard her  
Calling my name now  
Hush, hush

I need her loving  
And I'm not ashamed now

(Love, love)  
Early in the morning  
(Love, love)  
Late in the evening  
(Love, love)  
I want it and I need it, y'all  
(Love, love)  
Got to, got to have it

Hush, hush  
I thought I heard her  
Calling my name now  
Hush, hush  
She broke my heart but  
I love her just the same now

Hush, hush  
Didn't y'all hear her  
Calling my name now  
Hush, hush  
I need her loving  
And I'm not ashamed now

(Love, love)  
Early in the morning  
(Love, love)  
Late in the evening  
(Love, love)  
I want it and I need it now  
(Love, love)  
Got to, got to have it

Love, love  
Love, love....
