

## I Miss You Already

Billy Joe Royal

Oh, the time has come you're telling me goodbye  
I know I can't stop loving you if I tried  
I've had too many chances now I'll have to set you free  
I watched you go, too late I know, how much you mean to me

Yes, I miss you already, don't know how I'll go on  
Oh, I miss you already and you're not even gone

So kiss me once again and please don't cry  
I promise there'll be no more alibis  
I'll have to find myself a way to face this lonely day  
I watched you go, too late I know, I've lost my happiness

So kiss me once again and please don't cry  
I promise there'll be no more alibis  
I'll have to find myself a way to face this lonely day  
I watched you go, too late I know, I've lost my happiness

Yes, I miss you already, don't know how I'll go on  
Oh, I miss you already, and you're not even gone
