

# Got To Begin Again

Billy Joel

Well so here I am at the end of the road  
Where do I go from here?  
I always figured it would be like this  
Still nothing seems to be quite clear

All the words have been spoken and the prophecy fulfilled  
But I just can't decide where to go  
Yes, it's been quite a day and I should go to sleep  
But tomorrow I will wake up and I'll know

That I've got to begin again  
Though I don't know how start  
Yes, I've got to begin again  
And it's hard

Well it's been quite a while since I lifted my head  
And I'm sure the light will hurt my eyes  
I see the way that I been spendin' my days  
And reality has caught me by surprise

I was dreamin' of tomorrow so I sacrificed today  
And it sure was a grand waste of time  
And despite all the truth that's been thrown in my face  
I just can't get you out of my mind

That I've got to begin again  
Though I don't know how start  
Yes, I've got to begin again  
And it's hard
