

# That's Not Her Style

Billy Joel

Some people think that she's one of those mink-coated ladies  
They say she wakes up at one  
And she makes the paparazzi run till dawn  
She wines and dines with Argentines and Kuwaitis  
After she sips margaritas on the White House lawn

That's not her style I can tell you  
That ain't my woman  
It's just not her style I can tell you  
Because I'm her man

The papers say she was seen in LA with a stranger  
She found a perfect body with Maserati right outside  
And then she chartered a Lear  
When she heard her career was in danger  
And gave the pilot somethin' extra for a perfect ride

That's not her style I can tell you  
That ain't my woman  
That's not her style I can tell you  
Because I'm her man

That's not her style I can tell you  
That ain't my woman  
It's just not her style I can tell you  
Because I'm her man

Not that she's never done something crazy or done something wil  
d  
It's just that she's better at doing whatever suits her style  
And that's not her style  
I've read where it's said that she sleeps in a bed made of sati  
n  
She's had her face done in every place you can try  
They say she gets a piece of every lease in Manhattan  
And says she's thirty when she's really pushing forty-five

That's not her style I can tell you  
That ain't my woman  
It's just not her style I can tell you  
Because I'm her man  
You know it's not her style I can tell you  
That ain't my woman  
It's just not her style I can tell you  
Because I'm her man
