

# This Night

Billy Joel

Didn't I say  
I wasn't ready for a romance  
Didn't we promise  
We would only be friends

And so we danced  
Though it was only a slow dance  
I started breaking my promises  
Right there and then

Didn't I swear  
There would be no complications  
Didn't you want  
Someone who's seen it all before

Now that you're here  
It's not the same situation  
Suddenly I don't remember the rules anymore

This night is mine  
It's only you and I  
Tomorrow  
Is a long time away  
This night can last forever

I've been around  
Someone like me should know better  
Falling in love  
Would be the worst thing I could do

Didn't I say  
I needed time to forget her  
Aren't you running from someone  
Who's not over you

How many nights  
Have I been lonely without you  
I tell myself  
How much I really don't care

How many nights  
Have I been thinking about you  
Wanting to hold you  
But knowing you would not be there

This night  
You're mine  
It's only you and I  
I'll tell you  
To forget yesterday  
This night we are together

This night  
Is mine  
It's only you and I  
Tomorrow  
Is such a long time away

This night can last forever

Tomorrow

Is such a long time away

This night can last forever
