

To Make You Feel My Love

Billy Joel

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There's nothing that I wouldn't do
To make you feel my love

There's times I'm raging on a rolling sea
And on the highway of regret
And winds of change and blowing wild and free
You ain't seen nothing like me yet

I could make you happy, make your dreams come true
There's nothing that I would not do
Go to the ends of the Earth for you
To make yo feel my love

There is nothing that I wouldn't do
To make you feel my love
