

# You Can Make Me Free

Billy Joel

You can make me free  
You can make me smile  
You can make me be  
Like a little child

You can melt the ice that chills my body  
You can dry my every tear  
You make the lonely hours disappear

You can make me free  
You can make me rise  
You can make me see  
So open up my eyes

Don't you know my only real moments  
Are the ones I spend with you  
How I long to drink some wine again with you

I can take to the skies  
I can soar like a bird with it's heart full of song  
Won't you color my eyes  
I've been waiting so long

You can make me free  
You can make me cry  
You can make it so much better  
If you would only try

And if I must wait a lonely lifetime  
Until I am with you, my love  
I will wait but you'll be what I'm dreamin' of

I can take to the skies  
I can soar like a bird with his heart full of song  
Won't you cover my eyes  
I've been waiting so long

You can make me free  
You can make me cry  
You can make it so much better  
If you would only try

And if I must wait a lonely lifetime  
Until I am with you, my love  
I will wait but you'll be what I'm dreamin' of

I can take to the skies  
I can soar like a bird with his heart full of song  
Won't you cover my eyes  
I've been waiting so long

You can make me free  
You can make me cry  
You can make it so much better  
If you would only try

And if I must wait a lonely lifetime

Until I am with you, my love  
I will wait but you'll be what I'm dreamin' of

You can make me free  
You can make me cry  
You can make it so much better  
If you would only try
