

The Long And Winding Road

Billy Ocean

Baby don't leave me
I'm waiting here
Lead me to your door

Oh the long and winding road that leads to your door
Will never disappear, I've seen that road before
It always leads me here, leads me to your door

The wild and windy night that the rain washed away
Has left a pool of tears, oh baby, left me crying for the day,
yeah
So why leave me standing here, let me know the way

Many times I've been alone and many times I've cried
Anyway you'll never know the many ways I've tried, but
Still they, they lead me back to the long, oh that long and winding road, baby
You left me standing here such a long, long, long, long, long, long, long, long oh
Don't leave me waiting here, lead me to your door

But still they, they lead me back to that long and winding road
You left me standing here a long, long time ago
So don't keep me waiting here, just lead me, lead me to your door
or
So why leave me standing here, just lead me, lead me to your door
or
Baby, tonight is like no other night
Baby, just wanna love you
Just wanna hold you baby til the morning night
And love you baby, love you baby
