There'll Be Sad Songs (To Make You Cry)

Billy Ocean

Sometimes I wonder by the look in your eyes When I'm standing beside you There's a fever burning deep inside.

Is there another in your memory Do you think of that someone When you hear that special melody?

I always stop and think of you especially When the words of a love song touch the very heart of me.

There'll be sad songs to make you cry -Love songs often do. They can touch the heart of someone new -Saying I love you. (I Love you)

I often wonder how it could be - you loving me -Two hearts in perfect harmony. I'll count the hours until that day A rhapsody plays a melody for you and me.

Until the moment that you give your love to me You're the one I care for The one that I would wait for.

You're my desire You take me higher My love is like a river running so deep.

I always stop and think of you especially When the words of a love song touch the very heart of me. Sayin' I love you... I love you
