

Change My Mind

Billy Ray Cyrus

I've been talkin' to myself

Thinkin' 'bout changing my mind, I've been talkin' to myself

I thought I put your memory high upon a shelf

Well you know I said I'd forget you, you go away in time

But lately I've been thinking and I'm thinkin' bout changing my mind

Change my mind, woo-hoo-hoo

Change my mind, change my mind

Woo-hoo-hoo

Well I said I love you, and then I said goodbye

I know I made you happy, and then I made you cry

If I promised you forever, then I told you a lie

But lately I've been thinkin' and I'm thinkin' 'bout changing my mind

Change my mind, woo-hoo-hoo

Change my mind, change my mind

Woo-hoo-hoo

Change my mind

Thinkin bout changing my mind,

I've been talkin' to myself

Thought I put your memory high upon a shelf

Well you know I said I'd forget you, you go away in time

But lately I've been thinking, and I'm thinkin' bout changing my mind

Change my mind, woo-hoo-hoo

Change my mind, change my mind

Woo-hoo-hoo

Oh I'll change my mind
