

# Couldve Been Me

Billy Ray Cyrus

I hear you just got married  
Had a month long honeymoon  
And you were all smiles at the wedding  
And you cried when you kissed the groom

I got no invitation  
I guess the mailman didn't bring it to me  
But I see the whole thing in slow motion  
Every night as I try to sleep

My buddy John said you looked real pretty  
And you acted like you were in love  
He said the preacher asked for objections  
And he thought about standing up

I told John he must've been crazy  
'Cause you were just about to say I do  
He just gave me a wink and said all he could think  
Is it could've been me with you

It could have been me standing there with you  
It could have been me and my dreams coming true  
But those dreams move on if you wait too long  
It took me till now to see it could have been me

I don't guess I ever told you  
That I went out and bought you a ring  
I even carried it around in my pocket  
Waiting to say the right thing

I pulled it out the other day  
But the diamond had lost it's shine  
Well I know how it feels 'cause my eyes grow dim  
When I think you could've been mine

It could have been me standing there with you  
It could have been me and my dreams coming true  
But those dreams move on if you wait too long  
It took me till now to see it could have been me

Oh I called her just in time to be too late  
You know those dreams move on if you wait too long  
It took me till now to see (it could've been me)

It could have been me standing there with you  
It could have been me and my dreams coming true  
But those dreams move on if you wait too long  
It took me till now to see it could have been me

It could have been me...
