

Hey Elvis

Billy Ray Cyrus

Hey Elvis, won't cha come back home?
I left a message on your Code-A-Phone
I tried to reach ya but I can't get through
Hey Elvis, where the hell are you?

Somebody saw you at the shoppin' mall
Somebody said they heard that southern drawl
Hey Elvis is it really true?
We're all waitin' for a sign from you

Everybody knows about your pink Cadillac
Everybody's wonderin' when you're comin' back
Everybody's waitin' just to hear ya sing
Hey Elvis, you're still the King

Hey Elvis, won't cha come back soon?
Nobody's rockin' in the Jungle Room
Come December don't know what we'll do
Be a blue Christmas without you

Everybody knows about your pink Cadillac
Everybody's wonderin' when you're comin' back
Everybody's waitin' just to hear ya sing
Hey Elvis, you're still the king

Vow yeah
C'mon yeah

'Love Me Tender', 'Don't be Cruel'
'Return to Sender', 'Stuck on You'
'It's Now or Never', 'Suspicious Minds'
Hey Elvis, aren't ya lonesome tonight, yeah?

Hey Elvis, can't ya see?
They need you back in Memphis, Tennessee
They're makin' records but there's nothin' new
Nobody ever done it quite like you

Everybody knows about your pink Cadillac
Everybody's wonderin' when you're comin' back
Everybody's waitin' just to hear ya sing
Hey Elvis, oh

Everybody knows about your "Lisa Marie"
Everybody knows about TCB
Everybody's waitin' just to hear you sing
Hey Elvis, you're still the king, oh yeah

Come back to Memphis, Elvis
You're still the king, oh yeah
