

# Shot Full Of Love

**Billy Ray Cyrus**

Once I had a heart cold as ice love to me was only for fun  
I'd make a mark for each broken heart like notches on the butt  
of a gun

Once I had a trick up my sleeve and a reputation all over town  
I was heartless and cold whatever I'd go I shot down every young  
girl I found

Yes I used to be a moonlight bandit I used to be a heartbreak kid  
Then I met you and the next thing I knew there I was oh shot full  
of love

Who'd have thought that someone like you could take a desperado  
like me  
But oh here I am I'm as meek as a lamb with my bleedin' heart  
here at your feet

Yes I used to be a moonlight bandit...  
Shot full of love

Yes I used to be a moonlight bandit...  
Shot full of love shot full of love  
Shot full of love shot full of love  
Shot full of love shot full of love  
Shot full of love shot full of love
