## Stand

## **Billy Ray Cyrus**

Story of a heart in need Playin' on my T.V. screen Will I sit back and watch it fade? There's gotta be a better way.

Love is more than what you feel Love is action, love is real Break your silence, turn the key And be the change you wanna see.

So get ready, come on everybody Are you ready to:

Stand, for what you believe in Stand, for all that is right Stand, when it's dark all around you You can be that shining light. Stand, when troubles come calling Your gonna be alright Stand, just reach deep inside you And be that shining light. Stand.

I feel the earth shake, raise my voice I have my soul, I have a choice I feel it burning, I want more So what am I waiting for?

So get ready, come on everybody Are you ready to:

Stand, for what you believe in Stand, for all that is right Stand, when it's dark all around you You can be that shining light. Stand, when troubles come calling Your gonna be alright Stand, just reach deep inside you And be that shining light. Stand.

Stand, for what you believe in Stand, for all that is right Stand, when it's dark all around you You can be that shining light. Stand, when troubles come calling Your gonna be alright Stand, just reach deep inside you And be that shining light. Stand.

Stand, for what you believe in Stand, for all that is right Stand, when it's dark all around you You can be that shining light. Stand, when troubles come calling Your gonna be alright Stand, just reach deep inside you And be that shining light. Stand...
