

# Rock Me Tonite

Billy Squier

I'm rockin' tonite--I'm walkin' on air  
Gonna find me some trouble--gonna grab my share  
I want ya tonite--I want ya with me  
Make me guilty of love in the first degree

(You want it all right)...We're goin' in style  
Say you walk right--you talk right--and your hair's so wild  
(Snow-white)--Hey that's not what I mean  
We go down in the shadows and crawl between

Moonlight in the city brings the magic to your eyes  
Freezin' a moment--leave me paralyzed  
Breathe an emotion--set it dancin' in my ear  
Bring on the rhythm when I hold you near

Take me in your arms--roll me through the night  
Take me to your heart--rock me tonite

(You do it all right)--You're passion to see  
You been schooled in the arts of romancin' me  
(Hold tight)--You're in for a ride  
Can you feel the blood poundin' way down inside

--No one's stoppin' us now--  
We go down, down where the music's loud  
(If it's all night)--Hey that's all right by me  
Go and play on my love--play it all for me

Life's never easy--we can make it if we try  
Takin' our chances--fac'em side by side  
Live for the moment--on that we can agree  
Come and take me where I long to be

Take me in your arms--roll me through the night  
Take me to your heart--rock me tonite

A time for all...and all in time  
A step beyond the borderline  
Of who we are and where we long to be...  
When every night you hear the sound  
Of wakin' up and breakin' down  
You find a chance and heave it all away

Take me in your arms--roll me through the night  
Take me to your heart--rock me tonite
