She goes down
She walks into your life so effortlessly
Makes you swallow...she go down

She make you look she's trouble boy, oh yea She'll take your life into her hands, oh yea

She goes down she never gets enough She goes down she never gives it up

She laughs at all the things you pretend to be You're a gone boy she's the one

She got the look she's soul attraction She'll lead you out across the line She got the love that comes in colors She got the touch that's hard to find

She wrote the book spells trouble boy, oh yea Run for your life she'll make your plans, oh yea

She goes down--she never gets enough She goes down--she'll never give it up Cause she makes you...she go down Say she'll take you ...she go down

She acts out all your dreams—she'll be your fantasy You're a schoolboy in her arms and she'll teach you She got the love that comes in colors
She got a touch that's hard to find
She got the gun she's got the power
She'll shoot it up do you dare to try

She makes you she go down And she'll break you...stick around

She goes down she never gets enough She goes down she never gets enough She goes down she'll never let you up And she'll take you she goes down And she'll make you she goes down
