

Who's your boyfriend

Billy Squier

Another day with nothin' to do
Spend my time lookin' for you
Who's your boyfriend
Who's your boyfriend now
I asked around but nobody knows
Where you've gone in all your fine clothes
Who's your boyfriend
Who's your boyfriend now

Not since the day you first caught my eye
Has anything moved me, my heart's on the fly, uh huh
And I got a feelin'

Spend my time out on the street
I'm so tired I can't feel my feet
Who's your boyfriend
Who's your boyfriend now

People say I'm tryin' too hard
But if I knew the way, I'd be in your backyard
Who's your boyfriend
Who's your boyfriend now

Don't say I'm crazy, I already know
I picked up the pieces, I got nothin' to show
And I got a feelin'

I never could see
Why women could do these things to me

Another day I'm out on my own
I don't know if I'm comin' or goin'
Who's your boyfriend
Who's your boyfriend now
You got style, I just can't ignore
But if I had a key I'd be in your front door
Who's your boyfriend
Who's your boyfriend now

How does it happen, you're so hard to find
I can't seem to reach you, I'm losin' my mind
And I got a feelin'
Who's your boyfriend now
Who's your boyfriend
