

# Man Alive!

Billy Talent

Man Alive!  
Don't stand aside!  
While people make demands  
At first they'll take your liberties  
Then tie them 'round your hands

Man Alive!  
Don't stand aside!  
While people make demands  
When time goes by some day you'll find  
Their words are your command

Well the bloodsucker society, is looking for recruits  
I took a sip of their sobriety, it doesn't taste that good

Well at first you're fine with working overtime  
10 years go by 'til you're caught up in the grind  
And can't escape the fact your youth is fading fast  
These times won't last  
once they're gone they don't come back

Man Alive!  
Don't stand aside!  
While people make demands  
At first they'll take your liberties  
Then tie them 'round your hands  
Man Alive!  
Don't stand aside!  
While people make demands  
When time goes by some day you'll find  
Their words are your command

They'll try to fill you with anxiety  
until you bite the hook  
They drop a line of notoriety  
and got a big chequebook

Oh they'll turn you blind for a nickel and a dime  
Don't waste your time with their simple frame of mind  
You can't escape the fact your youth is fading fast  
These times won't last  
once they're gone they don't come back

Man Alive!  
Don't stand aside!  
While people make demands  
At first they'll take your liberties  
Then tie them 'round your hands  
Man Alive!  
Don't stand aside!  
While people make demands  
When time goes by some day you'll find  
Their words are your command  
When time goes by some day you'll find  
Their words are your command

Attention all personnel!

Stand single file, resistance is futile!  
We're gonna raise your hopes up  
(raise your hopes up)  
Just to knock them down  
(knock them down)  
You got a bright bright future  
(bright bright future)  
If you can shut your mouth  
(shut your mouth)  
And if you work the front lines  
(work the front lines)  
To keep us safe and sound  
(safe and sound)  
You won't be compensated  
(compensated)  
Until you're in the ground  
(in the ground)  
So don't waste a single breath  
On what society expects  
If history don't lie  
They're gonna take you for a ride until you die!

Man Alive!  
Don't stand aside!  
While people make demands  
At first they'll take your liberties  
Then tie them 'round your hands  
Man Alive!  
Don't stand aside!  
While people make demands  
When time goes by some day you'll find  
Their words are your command  
When time goes by some day you'll find  
Their words are your command  
When time goes by some day you'll find  
Their words are your command
