

# Rabbit Down the Hole

Billy Talent

Buried in the mail  
before the early morning,  
Under the frost that's forming,  
His words are calling.  
Even though alarm bells ring  
without a warning,  
All of the clocks keep ticking,  
And time keeps flowing.

Everyone that I hold dearly,  
I try to keep them close,  
'Cause some of them get bitten  
by the rabbit down the hole.  
Once they walk past through the grass,  
They're never coming home.

Easy to live but yet so hard to nail,  
Maybe They've lost their way  
but found their savior.  
Living in the fable life's a fairy tale,  
Except our thoughts are  
fragile our minds are frail.

Everyone that you hold dearly,  
You try to keep them close.  
'Cause some of them get bitten  
by that rabbit down the hole.  
And once you walk past through the grass,  
You're never coming home.

Good god what have I done?  
Mother natures lonely son.  
Mother natures lonely son.  
Chase that rabbit down the hole.

Wander through the open door  
that leads to nowhere.  
Who's gonna take away my pain,  
take away my pain.  
Before you know you're  
trapped inside the spiders web,  
You're screaming there is no escape,  
there is no escape.

The invitation is written clearly,  
You're the one he chose.  
Until the day your bitten  
by the rabbit down the hole.  
Follow his procession deep  
into the ground below.

Good god what have I done?  
Mother natures lonely son.  
Mother natures lonely son.  
Chase that rabbit down the hole.

I'll drown or I will burn.

Down the path of no return.  
Down the path of no return.  
Chase that rabbit down the hole.  
Rabbit down the hole.

I'd never thought I'd see her suffer,  
I gave her all I could.  
And everything I had to offer,  
Was never understood.  
How many days until her mind has  
left this world for good?

Good god what have I done?  
Mother natures lonely son.  
Mother natures lonely son.  
Chase that rabbit down the hole.

I'll drown or I will burn.  
Down the path of no return.  
Down the path of no return.  
Chase that rabbit down the hole.  
Rabbit down the hole.

One of these days you'll break away.  
One of these days you'll break away.  
One of these days you'll break away.  
Chase that rabbit down the hole.  
(One of these days you'll fade away.)

One of these days you'll break away.  
One of these days you'll break away.  
One of these days you'll break away.  
Chase that rabbit down the hole.  
(One of these days you'll fade away.)
