

# Rusted From The Rain

Billy Talent

I stumble through the wreckage,  
rusted from the rain  
There's nothing left to salvage,  
no one left to blame  
Among the broken mirrors,  
I don't look the same  
I'm rusted from the rain,  
I'm rusted from the rain

Dissect me until my blood runs  
down into the drain  
My bitter heart is pumping  
oil into my veins  
I'm nothing but a tin man,  
don't feel any pain  
I don't feel any pain,  
I don't feel any pain  
I'm rusted from the rain

Go on crush me like a flower,  
rusted from the rain  
Come on, strip me of my power,  
beat me with your chains  
And if I'm the king of cowards,  
you're the queen of pain  
I'm rusted from the rain,  
I'm rusted from the rain

You hung me like a picture, now I'm just a frame  
I used to be your lap dog, now I'm just a stray  
Shackled in a graveyard, left here to decay  
Left here to decay, left here to decay

I'm rusted from the rain

Go on crush me like a flower, rusted from the rain  
Come on, strip me of my power, beat me with your chains  
And if I'm the king of cowards, you're the queen of pain  
I'm rusted from the rain, I'm rusted from the rain

I'm rusted from the rain

Go on crush me like a flower, rusted from the rain  
Come on, strip me of my power, beat me with your chains  
And if I'm the king of cowards, you're the queen of pain  
I'm rusted from the rain, I'm rusted from the rain

Go on crush me like a flower, rusted from the rain  
Come on, strip me of my power, beat me with your chains  
And if I'm the king of cowards, you're the queen of pain  
I'm rusted from the rain, I'm rusted from the rain  
The sun will shine again, I'm rusted from the rain  
I'm rusted from the rain, the sun will shine again

I'm rusted from the rain
