

## Hearts Were Made For Beating

**Billy Walker**

God made man and then God made a woman he never meant for them  
to turn out bad  
And then inside he placed a heart for beating and Lord what a b  
eating mine's had  
Scattered pieces of my heart lay all around me  
Each one filled with hurt from love it almost had  
How much longer can what's left go on beating cause Lord what a  
beating mine's had  
A heart born to lose and never win  
But each beat of my heart gives me strenght to try again  
How much longer can what's left go on beating cause Lord what a  
beating mine's had  
Cause Lord what a beating mine's had
