## **Hearts Were Made For Beating**

## **Billy Walker**

God made man and then God made a woman he never meant for them to turn out bad  $\ensuremath{\mathsf{L}}$ 

And then inside he placed a heart for beating and Lord what a b eating mine's had

Scattered pieces of my heart lay all around me

Each one filled with hurt from love it almost had

How much longer can what's left go on beating cause Lord what a beating mine's had

A heart born to lose and never win

But each beat of my heart gives me strenght to try again

How much longer can what's left go on beating cause Lord what a beating mine's had

Cause Lord what a beating mine's had
