

I'm Gonna Keep On Loving You

Billy Walker

Na na na na na na na na na na na I'm gonna keep on keep on loving you

You tell me to stop loving you that I'm just wastin' my time

But you can talk till you turn blue you're not the ruler of my mind

You're telling me that I am free and that I should be on my way

You say that's how it's got to be but this is what I've got to say

Nobody tells me what to do I'm gonna keep on loving you

Every day my whole life through I'm gonna keep on loving you

(Na na na na na na) na na na na na na I'm gonna keep on keep on loving you

You're telling me it won't be long until I've used up all my pride

You may be right I may be wrong but that's one thing that I'll decide

Nobody tells me what to do...

(Na na na na na na) na na na na na na I'm gonna keep on keep on loving you
