

Just Call Me Lonesome

Billy Walker

Why must I love a heartless one who'll never know the harm she'
s done
Though love is blind I should have known just call me lonesome
from now on
I climb the stairs up to my room but no one meets me in my gloo
m
The silence tells me she is gone just call me lonesome from now
on
[steel]
These walls will hide me when I cry I pray to heaven I could di
e
What good is life when love is gone just call me lonesome from
now on
I pray my memories at last will fade into the distant past
If I must live and love alone just call me lonesome from now on
