

On My Mind Again

Billy Walker

I got you on my mind again
I tried to keep a smile on my face and make believe another never took my place
But just when I think I forgotten that's when I got you on my mind again
I tell myself the sun will shine and there will be another love for this heart of mine
But just when I think I'm about to win I got you on my mind again
All my friends say forget you and find me somebody new
But all my friends just don't understand the love this heart holds for you
I tell myself that the sun will shine...
