

# Walking The Floor Over You

**Billy Walker**

I'm walking the floor over you  
I can't sleep a wink that is true  
I'm hoping and I'm praying  
As my heart breaks right in two  
Walking the floor over you

You left me and you went away  
You said that you'd be back in just a day  
You've broken your promise and you left me here alone  
I don't know why you did dear but I do know that you're gone

I'm walking the floor over [unverified]

Now darling you know I love you  
Well, love you more than any tongue can tell  
Just keep right on a walking and it won't hurt you to cry  
Remember that I love you and I will the day I die
