

Dream a Little Dream of Me

Bing Crosby

Stars shining bright above you
Night breezes seem to whisper, "I love you"
Birds singin' in the sycamore tree
Dream a little dream of me

Say night-ie night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fadin' but I linger on, dear
Still cravin' your kiss
I'm longin' to linger till dawn, dear
Just sayin' this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Yeah, Bob, you ain't just dreamin'
You is awake

Stars fadin' but I linger on, dear
Still cravin' your kiss
I'm longin' to linger till dawn, dear
All I keep sayin' is this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me
Dream a little dream of me
