

I Love You, Samantha

Bing Crosby

Samantha, you're all
I'll ever adore
So forgive me, do
If I say to you
What I've said so often before
I love you, Samantha
And my love will never die
Remember, Samantha
I'm a one-gal guy
Together, Samantha
We could ride a star and ride it high
Remember, Samantha
I'm a one-gal guy
And if some distant day
You decided to say
Get along, go away, goodbye
Remember, Samantha
I'm a one-gal guy
Remember, Samantha
