O Fir Tree Dark

Bing Crosby

O fir tree dark, O fir tree dear I wander through the silent night And feel thy fragrance in the air And see thy branches robed in white

O fir tree dark, O fir tree dear How blessed is our Christmas tide So strong the charm that holds me here In truth, I scarce can leave thy side

The twinkling lights that deck thy boughs Enchant me with their shining spell And in a language all their own The lovely Christmas story tells

O fir tree dark, O fir tree dear I feel the wings of angels near
