

Pennies From Heaven

Bing Crosby

Along time ago, a million years B.C.
The best things in life are absolutely free
But no one appreciated a sky that was always blue
And no one congratulated a moon that was always new
So, it was planned that they would vanish now and then
And you must pay before you get them back again
That's what storms were made of & you shouldn't be afraid of

Every time it rains, it rains, pennies from heaven
Don't you know each cloud contains pennies from heaven?
You'll find your fortune's fallin' all over the town
Make sure that your umbrella is upside down

Trade them for a package of sunshine and flowers
If you want the things you love, you must have showers
So, when you hear it thunder, don't run under a tree
There'll be pennies from heaven for you and me

You must have showers
So, when you hear it thunder don't run under a tree
there'll be pennies from heaven for you & me
