## Song of the Islands

**Bing Crosby** 

Islands of Hawaii Where skies of blue are calling me Where balmy air and golden moonlight Caress the waving palms of Wai KiKi

Valleys with their rainbows Your mountains green, and deep blue sea Your fragrant flowers and dreamy music Unite and sing a aloha-hi to me

Islands of Hawaii Where skies of blue are calling me Where balmy air and golden moonlight Caress the waving palms of Wai KiKi

Valleys with their rainbows Your mountains green, and deep blue sea Your fragrant flowers and dreamy music Unite and sing a aloha-hi to me
