

Yes Indeed

Bing Crosby

Now, er, has you got it, sister Constance, er tell me, has you got it?

Oh, yeah, I got it, brother Bingstance, now you know I got it

Now, has you got that rhythm in you, mm?

Yeah, yeah, I think I got that er rhythm in me

Then you got it, sister Constance

I swear I do believe that you got it

You will shout when it hits you, yes indeed

Yes indeed

Oh, you'll shout when it hits you, yes indeed

Oh, yes indeed

When the spirit moves you, you'll shout hallelujah!

Hallelujah brother!

When it hits you, you'll holla, yes indeed

Oh, pops I'm here and I dig you, yes indeed

Oh yes indeed

While I'm here, let me hit you, yes indeed

Ah, hit me, do that to me

When that jive starts jumpin'

I shout hallelujah!

For I'm in there, I'm in there, yes indeed

Now, brother Chowderhead, he got it in him, yes indeed

Oh boy, you can say that again!

He digs deep in the middle, yes indeed

Oh, yes indeedy

How he blows his top when, when he rips hallelujah!

Hallelujah!

Oh, dig it out on your horn there, brother Chowderhead

Dig it for me

It comes out if it's in you, yes indeed

Oh, yes indeed

When you jump, for it's in you, yes indeed

When that feeling's on you, you shout hallelujah!

When it hits you, you holla, yes indeed
