

Filled With Hate

Biohazard

You point your finger at me
You're drowning in hypocrisy
You think the world can't see
The truth's your last reality
I point the finger at you
You're a piece of shit you know it's true
My words, my fist and the hard cold truth
Beat yourself till your black and blue

I'm filled with hate (hate)
Gonna make you feel my pain
My rage, my agony
Is driving me insane

For all the times you tried to hide
You can't run from the truth inside
There is no cure for your disease
Your infection brings you to your knees
I look at you with such disgust
Violence is my only lust
You got no heart and you lost my trust
Ashes to ashes and dust to dust

I'm filled with hate (hate)
Gonna make you feel my pain
My rage, my agony
Is driving me insane
I've got a way to move
It's eating me alive
It's you or me motherfucker
Only the strong survive

Hating, raging
I am
Filled with hate
Smashing, bashing
I am
Filled with hate

And now the end is near
You're a victim of your pain and fear
I pity you in your disgrace
You've just spit in your own face
You beat me down but you're okay
With no one but yourself to blame
You hang your sorry head in shame
But you still can't see through all your pain

I'm filled with hate (hate)
Gonna make you feel my pain
My rage, my agony
Is driving me insane
I've got a way to move
It's eating me alive
It's you or me motherfucker
Only the strong survive

Hating, raging
I am
Filled with hate
Smashing, bashing
I am
Filled with hate
