

# Never Give In

Biohazard

What? No!

You're gonna listen

What? No!

Or we'll go ballistic

We're gonna tear it down

We're gonna start right from the ground

There's no more lies

No more fucking around

No holding back

There's no holding me down

We're gonna rip apart this conspiracy

Destroy create humanity

'Cause you aint ever gonna make a slave out of me

I'll fight and die to be free c'mon

Never give up, never give in, never quit

I won't be broken

Never give up, never give in, life is short

I'm here to win

Leave me alone, don't wanna hear your lies

Don't understand or sympathize

Cause all this time you've pushed me way too far

You've taken everything but you can't take

Who we are

It's time we face the truth

We're gonna live and die, there's no excuse

Defend your honor, no time to choose

It's my fist your face your neck my noose

I'm gonna live and die with my dignity

Take control of my destiny

'Cause there's no escaping this reality

I'll fight and die to be free c'mon

All my life you pushed me way too far

I just can't take it, can't take it anymore

Live and die, die live your dignity

Take control and choose your destiny
