

Shiver Up The Spine

Birdeatsbaby

He's all alone, Stuck to the ceiling chewing my bones, eliminate feeling

I wasn't there, Why should I care? He shivers brightly and ever so nicely

It's not a please, More of a must So if you please, So if you must

I wasn't there, Why should I care? He shivers brightly and ever so nicely

But I don't give a damn A man is just a man

He's all alone, Stuck to the ceiling chewing my bones, eliminate feeling

I wasn't there, Why should I care? He shivers brightly and ever so nicely

But I don't give a damn A man is just a man
