Get to shakin something cause thats what drama produced  
for  
Yes i make mistakes that I dont ever make excuses for  
Like leavin girls that love me and constantly seducing

(Chorus)

They cant help it, and I cant blame em  
Since I got famous but b-tch I got money blow

Born rich uptown born to win

(Chorus)

They cant help it, and I cant blame em
