

## Breaking Precedent

Birdpen

Bright Inuit's rarely die protecting Eskimos nature  
Burley idiots rage disaster provoke evil noise  
Breaking industries reap deals programming every node  
Bloated images relay decisions people evacuate now  
Now, now

Ballistic implosion ready dialed protect every nation  
Blind instinct rapid drought presence expected now  
Busted itinerary random delays preachers explain nothing  
Blatant ignorance reaching death perhaps everyone needs  
everyone needs

Birds in rain dive  
Peace everywhere never  
Birds in rain dive  
Protect everything now  
Birds in rain dive
