

# Heart of Gold

Birdy

I can be strong when I want to be,  
You think I'm weak 'cause you can tear me apart with the words that you  
speak  
You think you're in control,  
But you don't understand how much you're wrong  
You choose to lash out at me, I've done nothing wrong  
All you crave is attention, and just to belong,  
You need to belong

And I want to be free where my heart is made from gold  
And forgiveness seems too bold,  
As to find it in my heart  
Say, "I love you" when my heart is made from gold  
And the hunt is just too cold  
As you'll find it in my heart  
To say, "I love you"

Is there not enough to use your love for me to get past the things because  
you envy and hate  
And the fires that they breathe  
Say, "I looked on the small"  
Can't understand why you don't have it all  
But you don't know how to fight for your believe in your aims,  
I just wanna do right by you, forget what has changed  
'Cause nothing is changed

And I want to be free where my heart is made from gold  
And forgiveness seems too bold,  
As to find it in my heart  
Say, "I love you" when my heart is made from gold  
And the hunt is just too cold  
As you'll find it in my heart  
To say, "I love you"

For you have to be so mean,  
You're such a drama queen  
The way you play on every weakness that you see in me  
To make you strong, knew all along  
So don't pretend like you can hardly breathe,  
Like it's down to me,  
'Cause it's so unfair that you can't see that you're so wrong  
We're still so young

And I want to be free, where is made from gold  
And forgiveness seems too bold,  
As to find it in my heart  
Say, "I love you" when my heart is made from gold  
And the hunt is just too cold  
As you'll find it in my heart  
To say, "I love you"
