We got submissive society
We got a dinosaur monopoly
And all their germs infecting me
We got stars charisma free

We got a passive mentality Worship the safe, abhor the unique And never stop to ask the questions

Hi-fi, lo-fi, sci-fis my fi Don't you know that you've got Dinosaur germs.

We thought dinosaurs were extinct But now we know that yr the missing link It hurts the head when it has to think No more excuses, take the rest

But you forgot to take what is best With all respect, this is not a test And never stop to ask the questions

Hi-fi, lo-fi

Uh, over and out, yeah, okay
